

## Old Wulfrunians Club 50<sup>th</sup> Anniversary

On Friday 1<sup>st</sup> September 2017 the Old Wulfrunians Club at Castlecroft is celebrating the 50<sup>th</sup> anniversary of the opening of their clubhouse. Established in 1951 the original members met in rented rooms above Barclays Bank in Queen Square, Wolverhampton. They eventually managed to commission a new purpose built clubhouse on the sports ground owned by Old Wulfrunians, opening on 1<sup>st</sup> September 1967.

50 years on the club prospers and is home to both football and cricket teams ranging through junior, senior and veterans age groups, all playing in our delightful country surroundings. Indoors we also have a newly formed snooker team.

The club house has a comfortable lounge bar, offering a full range of drinks, including Holden's beers and regular guest ales, all served by our friendly and helpful bar staff. There are facilities to show major sports events and a separate games room for snooker, pool and darts.

The function room is available for private hire, ideal for a variety of events such as

wedding receptions, anniversaries and birthday parties. Outside there are extensive playing fields along with a patio and barbeque area.

Appropriately, the evening will be an informal event commencing at 7.30pm and will have a 1960's theme with music and photos. Hopefully some folks might wear clothing from that exciting era. Any photos or memorabilia relating to the club would be a welcome addition to this nostalgic evening. We would love to see as many old friends as possible to meet up and reminisce about the good times at the Old Wulfs.
